# *Welcome*

## **Welcome Home - To You**

Imagine... what life will be like, when you can fully relax into your unapologetic self, with self-confidence, being totally at ease with yourself?

The truth is: you're not here to fit in. You're here to return to yourself, to break free from old patterns, and to create a life that feels deeply, undeniably yours.

When you release the blocks that keep you stuck — fear, shame, pain, outdated beliefs — and reconnect to your Soul's truth, your intuition... you naturally come into alignment.

From that place, desires flow, clarity comes, and the path opens before you.

This is your invitation to come home: to peace, purpose, and possibility.

I combine deep psychological expertise with spiritual insight, intuitive guidance, energy work and body-based tools.

My approach is holistic, raw, real, and radically transformative with a touch of humor and a pinch of magic. We go to the root and rise from there. You are not broken, you don't need to be fixed – your truth is waiting to be heard and your gifts to be unleashed.

## *Let's Work Together*

Choose your path, or message me for personal guidance.

Your healing is sacred. Your voice matters. Your soul knows the way.

# *Stand-Alone Sessions*

## 1:1 Sessions

My focus is on deep, lasting transformation and that requires commitment and time.

However, I recognize the value of occasional one-off consultations as a helpful add-on. This session can be used as a psychological consult, holistic coaching, a healing or reading (Akashic Records, Human Design, Tarot, intuitive guidance), etc.

Suitable for: aftercare or staying on track after working with me or another therapist, check-ins, consultations for collaborative programs, relationship coaching, or standalone modules (like Soul Body Fusion, breathwork, EFT/Tapping, Tachyon Healing, etc).

This way, I can support you in a flexible, practical way whenever you need a focused boost. Perfect for those who need support without committing to a full program.

I also offer 1:1 initiations in Kundalini Reiki.
